## Mission Statement

Our mission is to provide Bayport-Blue Point student-athletes with the highest level of opportunity to succeed. By reaching out and supplementing each and every program with equipment, training and scholarships that are not covered by the school district budget, we look to give our athletes all the advantages that they deserve.

Through our organization's fundraisers and volunteers, the Booster Club is a solid resource for equipment and facility upgrades that are available to all BBP Districts' sports related programs.

We collectively hold the belief that a strong and successful athletic program reflects well on the entire student body, and the community as a whole, as it provides an outlet for all of the participants and their related support groups.

Athletic programs promote qualities such as unity, discipline, hard work, honor and sportsmanship, all of which contribute to building a stronger community. It is these core values that compel the BBP Booster Club and all of the members in our efforts to support our student athletes.

## 2019 Honoree

### Coach Bobby Schimpf

The Bayport-Blue Point Athletic Booster Club is proud to honor our Varsity Boys Soccer Coach, Mr. Bobby Schimpf.

Coach Schimpf graduated from Walt Whitman High School, class of 1968. He was an All League I Soccer player, earned the prestigious Physical Fitness Award and Academic Excellence Award. He attended Manhattan College and received his degree in Physical Education. As a student he was an All Metro Selection in soccer (1970-71). He was MVP in 1971 and was the All Time Leading Scorer. He was inducted into the Manhattan College Hall of Fame in 2017.

After college, Bobby earned the title of "Coach". He spent ten years coaching college athletes. In 1979 he took Suffolk County Community College to the final four. He has over 38 years of coaching on the high school level. Bobby was the Head Coach for the Mens Open Empire State Games from 1977-1993. He served as Director of Coaching LIJSL Select Program and spent 31 years as Treasurer of the Suffolk County Coaches Association.

Coach Schimpf has earned many awards over the years. He has 7 Coach of the Year awards and 18 Sportsmanship awards. In 2018 he was inducted into NY State Coaches Hall of Fame and this year he was inducted into Walt Whitman High School Hall of Fame.

Coach Schimpf plays an important role when he is not on the soccer field. He and his beautiful wife, Doretta, have been married over 42 years! They have two boys. Bobby is a teacher in the Levittown School District and Danny is a writer/director in Los Angeles, California.

Thank you Coach Schimpf for being such a positive role model to the numerous young men that you have led on the BBP soccer field!
